## **RICHMOND HEALTH SERVICES**

### Richmond, BC

*Broaden your horizons in one of Canada's healthiest and most dynamic communities!*

When you join our multidisciplinary team of professionals, your contribution will be valued, recognized and rewarded. You'll find plenty of ongoing educational opportunities and in-house specialty training to help you advance your career – all that, and an attractive location just minutes from downtown Vancouver and close to the U.S. border.

Nestled in the estuary at the mouth of the historic Fraser River, the city of Richmond offers a unique blend of urban sophistication and rural tranquility. A cosmopolitan population, proximity to all kinds of transportation options, sunny weather and endless riverside walking paths make Richmond a marvelous place to live, work and play.

### **A Community of Caring**

Part of the Vancouver Coastal Health Authority, Richmond Health Services is a leader in the provision of community-focused, integrated services to a multicultural population. By putting people first, we consistently impress patients and other stakeholders with the quality and personal nature of our care. We offer the most advanced care and up-to-date treatment methods in the areas of Acute Treatment, Community Care, Residential Care, Mental Health and Population Health. Our Acute Treatment facility features a combined ICU/CCU, state-of-the art equipment, a newly renovated ER, and five ORs.
