

Supporting 2SLGBTQIA+ People in Clinical Spaces

Out Loud and Proud

Not sure what 2SLGBTQIA+ stands for? Find out and explore the differences between gender, sex, and sexuality. The workshop will combine inclusive best and promising practices with the participants' lived experiences in clinical settings to create a generative learning experience.

Workshop facilitators:

Neila Miled, PhD

(she/her/hers)

Anti-Racism Advisor

Respectful Environments, Equity,
Diversity & Inclusion (REDI) Office,
Faculty of Medicine
