How do I create my UpToDate[®]Anywhere account?

To create your account, visit www.uptodate.com while on a VCH/PHC computer or affiliated network. Click on “Log In/Register” at the upper right hand corner of the home search page and fill out the required registration information. When creating your unique UpToDate username and password, you do NOT need your VCH login and email information.

Once registered, you will receive an email confirmation email. Each time you subsequently log into UpToDate online (www.uptodate.com), or from your mobile device(s) (UpToDate apps are available), you will be able to access and manage your account and earn and redeem CME credits. After every 90 days, you will be prompted to log in to UpToDate on a VCH networked computer every to re-validate yourself as a VCH user.
