

Publication for a  
learned society  
or profession.

Reflective self-examination  
with attention to matters of  
the heart.

## Come join EDI Journal Club+ where we do both!

The VCH Medical Staff Equity, Diversity and Inclusion Committee is launching an EDI Journal Club+. The group will meet regularly with the goal of improving patient care by incorporating evidence into practice. The group is open to all VCH medical staff.

*Caution: you may end up making more friends than you know what to do with through our JC+.*

## Indigenous Cultural Safety Hummingbird Level 1 ED Module 1

If you want to show up with some tools already in your toolbox, have a look at the Indigenous Cultural Safety Hummingbird Level 1 ED Module in Learning Hub. It is worth 2 CME credits and is fantastic.

If you don't have time to read ahead, feel free to just show up! We will talk and learn from heart to heart. It will be a safe space.

EQUITY  
DIVERSITY +  
INCLUSION
