

QI COACHING

BOOK AN APPOINTMENT TO SPEAK WITH OUR PHYSICIAN QUALITY IMPROVEMENT TEAM. WE CAN HELP GET YOUR PROJECT SCOPED, STARTED, OR UNSTUCK.

How it Works:

- 1** Determine what you want to talk about. It can be as broad as, “I have a quality improvement idea and I need help getting started”, or as specific as, “I would like advice on which stakeholders to involve in my project”.
- 2** Schedule your coaching session
- 3** Gather any materials you think might be useful for your session. Do you have a draft problem statement? Do you have any data? Does your project intersect with other work completed or in progress?
- 4** Meet with a QI staff member!

Our PQI team is made of staff and physicians trained in quality improvement. We have expertise with the Model for Improvement, Change Management, QI Communications, Data Analysis, and much more!

To make an appointment, email medicalquality@vch.ca with a subject line "QI Coaching".

Include a brief description of what help you need and your preferred dates and times for a chat.

A team member will reach out to you. We will start with a 30 min appointment and take it from there. Funding may be available for meeting time.
